**PRODUCT SAFETY**

**Product:** SV5570 - Laser PET Matt Transp/S692N/HF100 NI

**This product is a safe product in accordance with the description as given by EEC Directive 92/59, Article 2(b).**
(Material safety data sheets as referred to in Directive 88/379/EEC, Article 10 and Directive 91/155/EEC are not applicable to pressure sensitive materials)

GENERAL INFORMATION

**Health** : To our best knowledge the product does not present undue health hazards under normal conditions of use, handling and storage.

**Handling and Conversion** : Normal safety principles in handling and conversion should be applied.

**Application and use** : Besides our adhesives S692N complies with the FDA 175.105 recommendations for indirekt contact with foodstuffs and BfR recommendations for direct contact with dry, moist, non fatty foodstuff.

**Environment** : None of the fibers used for our standard papers are bleached with elementary chlorine. The product is manufactured without the use of ozone depleting materials (ODM's) or other volatile organic compounds (VOC's).
The product is in compliance with the US CONEG Model Toxics Legislation and the European Council Directive 94/62/EEC on packaging and packaging waste, Article 11, with reference to the acceptable levels of heavy metals.

**Waste disposal** : Generally the material can be disposed of by routine waste disposal through governmental licensed facilities as usual for ordinary waste materials.
It is recommended however to participate, where possible, in one of the recycling projects for matrix waste or backing paper intiated by the FINAT Recycling Group. On request details are available from FINAT secretariat. www.finat.de

Avery Dennison Roll Europe, January 2007
